The Mission Forum of 2010 will have a new and exciting look. In an atmosphere where information can be gathered through workshops, speakers and worship, persons interested in mission opportunities will find many creative avenues for personal involvement. This yearly educational FORUM will begin on Saturday morning, October 2, with registration at 8:30 am followed by the Message. Each participant will attend three exciting workshops from an impressive list of choices and have time to talk with Project Coordinators about specific opportunities.

During lunch you will have the opportunity to visit with missionaries, other missioners and find out how their journey has changed their lives.

Visitors will include missionaries from Belize, Mexico and Bolivia. You will have the chance to hear and meet Rev. Diane McGehee, Director of Missional Excellence. With a full hour in the Global Village you will see displays from a variety of mission opportunities offered through Partners in Mission as well as other mission connected organizations. The Mission Store will be open to offer interesting shopping opportunities for your family.

**Luke 4:18-19**
