### Sample Prayer:

Holy God, my Father, thank You for the many blessings that our local community has. I pray for those who are in the offices that govern this community that they make wise and godly decisions which are always in the best interests of the community. I pray for these leaders to be blessed by You God and also those who are in law enforcement. Please protect them in their line of duty so that they might protect those of us who have placed our trust in them. God, please bless these men and women in city government. I am so thankful we have all of these and in Jesus' precious name I pray, Amen.
