It's Flu Season/ COVID-19

If we notice your child has any of these symptoms we will be calling you to pick up your child from school. Your child will have to miss a full day/24 hours without having been at school. They will need to have a doctor's note stating what was wrong with your child and that they are not contagious in any way. So let us keep our children healthy and happy.

Characteristic symptoms are:

fever, chills, cough, malaise, headache.

Other symptoms can occur, like:

nausea and vomiting, muscle or body aches, tiredness, sore throat, diarrhea

Do remember these are the same symptoms as the COVID-19. So parents please take your child to the doctor if they are get sick. We want all our children here everyday. We have to be considerate to everyone. We want to keep everyone health and safe.
